

COMMUNITY INCLUSION SUPPORT WORKER

Casual and Regular Positions Available

Community Inclusion Support Workers assist individuals to participate in personal, social, vocational and volunteer opportunities within the community. The services are determined by the individual, based on their specific goals and preferences. Our employees encourage and empower supported individuals to be independent, self-determining and to live the life they envision while ensuring excellent standards of care, health and safety are maintained.

SUMMARY OF RESPONSIBILITIES

- * Ensure the individual's rights and choices are respected and advocate as needed
- * Proven ability to interact effectively with persons served
- * Coordinate, implement and facilitate the individual's participation in community based social, vocational and volunteer activities
- * Empower individuals to be full citizens of their community
- * Foster positive relationships with family members, colleagues, professionals and members of the community
- * Participate in the development, implementation and documentation of Personal Service Plans
- * Excellent understanding of behaviour management principles and strategies including mental health needs

QUALIFICATIONS

- * Grade 12 education
- * Community Support Worker Diploma or equivalent
- * Minimum 2 years of experience in community social services/health care
- * Current Emergency First Aid/CPR certificate and TB Test
- * Behaviour management training
- * Ability to effectively communicate (verbal & written) with team members, professionals, families, and community members
- * Non-verbal communication skills
- * Restricted Class 4 Driver's License (for regular positions)
- * Criminal Record Check for Children and Vulnerable Adults
